

Peterborough City Rowing Club Junior Championships Photography Policy

There are official photographers at the Championships. Official photographs are available for sale from the photographer's website. These photographs may be used on the website and social media sites of Peterborough City Rowing Club. By entering the Championships, competitors and those responsible for them consent to this.

Official photographers shall be identifiable by wearing a club shirt with the word "Photographer" printed on it. Competitors and those responsible for them should be aware that other, non-official photographers might operate at the Championships and the subsequent photographs may be freely used in print, digital media or elsewhere, over which the Organising Committee has no control.

Coaches agree that by entering crews they have made the crew members and their parents/guardians aware of the above two paragraphs.
